What will 2009 hold for women who are looking for answers concerning abortion?

Well, if our new president signs the **"Freedom of Choice Act" ...**

Choice would say: Abortion is legal at any stage of their pregnancy and just because you made a mistake, you don't need to be punished with a baby.

Life would say: You have other options. Be fully informed before you make a choice for death and please know a baby is never a punishment from God for a mistake, but a blessing. Psalm 27

We are in a battle... I was reading in 2 Kings 3: about three kings in the land **joining forces, because of a common enemy** the Moabites . They then came to Elisha asking him to seek God on their behalf; Elisha **did only because of the King of Judah**. Elisha **sought the Lord** for them. The Lord said make this **"valley full of ditches"...** for you will neither see the wind or hear the rain, yet the valley will **be filled with water... provision is coming**, and God will deliver the Moabites into your hands.

This battle is real today... We need you to help get the truth out! **Will you dig ditches with us...?** Will you believe with us that the provision is coming... **Perhaps you are part of the provision?** Pray for us... Seek God for provision as **we are seeking God for you** and others who support this ministry.

We need your continued financial support to **"Keep our doors open"** so that truth and life may be shared!

Please use this link to our website to [donate now](#).

Lastly, please **pray for our new president**, I believe God has called him for such as time as this... lets **pray that He will agree with God's word about life and not sign an act of death** for so many yet to be conceived. May a generation be saved such as was in the days of Esther and Elisha.

It is a poverty to decide that a child must die so that you may live as you wish. Mother Theresa

2008

Pregnancy - 146

Positive Tests - 89 Ultrasounds - 88

98% of the women have chosen to carry their child since we've started offering Ultrasound scans with a positive Pregnancy test. The ultrasound machine has made a tremendous difference in helping a woman make up her mind to choose life for her pre-born child.

969 clients visits for 2008, many of our clients enroll in our healthy choice/healthy lifestyles incentive program. This a way for us to build relationships with them, share Christ in that relationship, educate in areas such as pre-natal, (bonding with the baby, eye contact, are some of the lessons learned while looking at the development of the baby in the womb) parenting, life skills (such as goals for establishing bank accounts, a new apartment, car, etc.), second virginity, STD's and post abortion healing and a foundational Bible study.

Remember Steve & Melisa from our Banquet?

They had their baby and were **married on Jan. 2, 2009**. We join with them in praise to God for all He has done in their lives.

Thank you for your prayers and support. We could not have done it with out you.
