

## E-COMMUNICATION

### PEACE

Peace, Shalom, when I read or hear these words I think of calmness, inner knowing that all is ok, but I never replaced the word Prosper for Peace. Yet that is one of the meanings of the Hebrew word, "Shalom". Jeremiah 29:11 tells us, God has a plan to prosper us or as some translations of the Bible read, to give us peace. Our theme this year is taken from this very scripture verse and reflective on the word Peace/Prosper. I look forward to sharing with you at the Banquet the peace He has poured over CPCS. Enjoy your summer.. May God prosper you in every way. Thank you for your continued support.

Shalom,  
Debbie

Even though the summer season has barely begun, my thoughts are turning toward fall and the upcoming fundraising banquet on Oct. 8<sup>th</sup>.

As I reflect on all the changes at Cornerstone since the last banquet. I am amazed at how God has led us through the process. Last summer and fall we were looking for a nurse for the Gap center. It was not coming together and I didn't understand why! By January we realized we would not need one because Oxford was closing and we would all be at the Gap location by Spring. God knew the future and acted accordingly before the seasons changed. He is faithful!

We are grateful and excited that we are still offering ultrasound and support to women facing crisis pregnancies in both areas even though we are all working out of one center.

We look forward to sharing with you the testimonies of those being impacted by CPCS at our banquet.

Blessings!

- **To all the churches currently involved in our Spring Baby Bottle Campaign...Thank You!** The BBC fundraiser has proven to be an incredible way for families to support life and assist CPCS. Please note...a BBC is the perfect VBS missions tool!
- **2009 Fundraising Banquet needs: Underwriters and Table Hosts** are being sought to aid in the success of this most important fundraiser for CPCS. Having the ENTIRE banquet costs underwritten before the event enables the ministry to receive 100% of all proceeds. Having Table Hosts fill a table of 10 with personally invited guests who support life, is another key to reaching our goal of \$45,000.
