

E-COMMUNICATION

We plan on winning. How about you?

In today's political climate most would call it a stretch for those who believe in the sanctity of life to talk about "winning." In the political realm at least, pro-life advocates don't have the votes, don't have the Court and don't have the ear of the White House. Winning, however, is *exactly* what we're talking about at *Cornerstone Pregnancy Care Services*. So what does that look like?

To us, winning means that a client coming in our door finds *hope*. Because of *that hope, she chooses life for her child*. But that's not all. Winning also means she *considers all of her options*—including adoption and perhaps even marriage to the father of her child, if circumstances are right. Children need two parents; we want everyone to win.

Another way to win is through faith. We want our clients to consider a direction that includes following the person of Jesus Christ. We want them to think seriously about drinking from the well of *Living Water*, as did the woman in John 4, who then told others in her sphere of influence what she received and heard.

Finally, winning includes so many women and families choosing life that one day abortion clinics in our area—and perhaps across the country—close their doors for "lack of patient volume" as a clinic in Ohio did recently. Turning our culture toward life—and toward other significant victories—starts with us at *CPCS*, right here and right now. We're looking for those who will come along side us, as many of you already have through *financial partnership, board membership, volunteering and prayer support*.

The path to victory is not an easy one, but it *is* attainable. We want those who truly believe in winning well to join us. How about you? If you are interested in being a part of our team give me a call at 717-442-8694 or drop me an email at deb@cornerstonepcs.com. Let's see where you fit on a winning team.

Blessings,
 Debbie Davenport, Executive Director

Having Table Hosts fill a table of 10 with personally invited guests who support life, is another key to reaching our goal of \$45,000.*
